The general guidelines on MLA SDF scheme, as modified from time to time have permitted construction of buildings, purchase of audio-visual equipments of educational nature/providing computers and purchase of library books for all Government and Aided Educational Institutions. The PAC in its 25th report (2011-14), while making certain recommendations on improvement of implementation of the scheme, suggested Government to stop the practice of allocation of funds to the Aided/Un-aided Educational Institutions under the scheme. Now suggestions have been received from MLAs to review the above Government Order and to give equal consideration to schools under Government and Aided sector in providing assistance from MLA SDF for developmental activities.
