Circular

Ref:- Circular No. DB3/6512/2013/CE/LSGD dated 11/01/2016.

Direction were given vide reference cited to check the specification and rate of items included in the 'PRICE' Software for tender work. Now NIC has enabled the rates of Beneficiary Works also in the demosite. As per the decision taken in the meeting at the chamber of the Additional Chief Secretary, Finance on 30/11/2015, "While preparing the estimate of the Beneficiary Committee Works, Contractors profit shall be excluded and over head charges @ 7.5% of the estimate can be included. Taxes are to be paid by the Beneficiary Committee". Based on this decision, only contractors profit (7.5%) will be deducted from the Beneficiary Committee Rates in 'PRICE'.

The following officers (Annexure - A) are deputed to verify the rates of Beneficiary Committee items in the demosite in the specified chapters. They are also directed to verify that the corrections they pointed out for the tender rates / specifications earlier are corrected or clarified now.

The Beneficiary Committee rate verification is a time consuming duty. Hence the Executive Engineer of the listed master trainees are directed to distribute the items with in the chapters to different Assistant Engineers and get it verified.

The master trainers listed should Co-ordinate the verification with the help of the District Panchayath Executive Engineers. The Executive Engineers should give written orders to the Assistant Engineers selected for verification of the items in that district.

The master trainers should clarify the doubts of the verifying Engineers and Co-ordinate the whole process.

The process should be completed before 16/02/2016. The verification of each chapters should be emailed to pricelsgd@gmail.com before 16/02/2016, 5 PM by the master trainers listed (Annexure - A) alone.

Once the verification is completed, live site can be extended to all technical staff by 20th February 2016.
