No. DB3/6512(B)/2013/CE/LSGD

Date : 07.10.2016

CIRCULAR

- Ref: (1) GO (P) No. 96/2016/Fin dated 15.07.2016
(2) Circular No. CE/R&B/ PRICE/6725/ 2015 dated 08.08.2016 of Chief Engineer, PWD (Roads & Bridges)

Vide reference (1) above, government had ordered that all estimates for bituminous items shall be prepared based on the Market rates published by CE, PWD (R&B) instead of DSR. Based on this order, CE, PWD (R&B) has published the quarterly market rates of bituminous items vide circular reference (2) cited. Based on the above two references, the data using rates of bulk bituminous items have already been incorporated in PRICE.

Some LSGIs need only a small quantity of bitumen. Such LSGIs can procure only packed bitumen. In such cases, the estimates can be prepared using packed bitumen rates only. The data using rates of packed bituminous items in PRICE are under preparation and it will take around 2 weeks for incorporation of the same in PRICE. Till then, such data may be created as observed data in PRICE.

Chief Engineer
