Subject: Invitation for Residential Trainings on "Rain Water Harvesting and Ground Water Management on November 24th-25th 2016, Alappuzha, Kerala

Dear Sir,

Greetings From EA Water !!!

I am sending this letter of invitation/participation on behalf of EA Water; New Delhi to avail this value added opportunity to participate in 'Rain Water Harvesting and Ground Water Management" on 24th - 25th November, 2016 in Alappuzha, Kerala.

About E A Water:-EA Water Pvt Ltd is India's only knowledge and marketing solutions provider in the area of water and wastewater management. For over a decade, our verticals: Publishing, Training and Events have been instrumental in taking initiatives directed towards awareness on most critical water related issues. It would hence be fair to say that the company has been a market leader and innovator in the water sector.

EverythingAboutWater regularly conducts national and international training workshops on varied themes for water & wastewater management. In these events, we mainly focus on new trends and challenges in the industry. We have already marked our identity in the water industry with over 500 dedicated water trainings have been attended by over 20,000 delegates.

Introduction: -With a sole objective to empower the professionals with the "Knowledge" required for this segment of water & waste water management, EA Water proudly announce 'Rain Water Harvesting and Ground Water Management" on 24th - 25th November, 2016 in Alappuzha, Kerala. The Training Workshop focuses on the theory, practice and policy of Rain Water Harvesting .It combines classroom lectures, practical exercises, Case Studies and interactive sessions to help attendees plan, design and install rainwater harvesting systems in municipal and Industrial sector.

It will close by ½ day sightseeing on day 2 in nearby locations of venue.

Programme: - The programme allows you to gain knowledge, acquire holistic perspectives on rainwater harvesting, preservation of water bodies, water conservation, water audit and ground water management. The participants will get hands-on practice in planning and designing urban rainwater harvesting It will help you to solve real-life water problems of today and give you a unique chance to meet and interact with experts and professionals in the field of rainwater harvesting. Below are the topics to be covered in the workshop

EA WATER PVT. LTD.

Venue:- Hotel Arcadia Regency, NH 47, Allappuzha 688001

About Alappuzha, Kerala:-

Known throughout Kerala for its natural beauty, Alappuzha is a must-visit. Alappuzha Referred to as the Venice of the East, Alappuzha has always enjoyed an important place in the maritime history of Kerala. Today, it is famous for its boat races, backwater holidays, beaches, marine products and coir industry. Alappuzha beach is a popular picnic spot. The pier, which extends into the sea here, is over 137 years old. The Alappuzha beach is known throughout Kerala as one of the best beaches, owing to its intrinsic natural beauty. The backwaters of Alappuzha could be described as a mirage of what heaven must look like on a tranquil day; only, it's not a mirage but very real. Entertainment facilities at the Vijaya Beach Park add to the attraction of the beach. There is also an old lighthouse nearby which is greatly fascinating to visitors.
