New Delhi-110011, Dated the 20

D.O.No.Z-22011/1-PG/2015-CPHEEO

Dated the 24th, November, 2015

Dear Sir,

With the advancement in water and wastewater management technologies, more & more emphasis is being given to total quality management. The subject of Public Health Engineering/Environmental Engineering has been recognized as vital for graduate in-service engineers, engaged in delivery of water and sanitation services in the country. While appreciating the need for specialization at P.G. Level for in service engineers, this Ministry has recognized twelve renowned academic institutions in various parts of the country to conduct Post Graduate degree courses of 24 months duration in Public Health Engineering/Environmental Engineering.

The details regarding the institutes with their intake capacity and eligibility criteria etc. for admission are indicated at Annexure-II. In so far as the financial support and other criteria are concerned, the details are given at Annexure-III. The outstation candidates are provided with Stipend @ Rs.4000/- per month during the course period. The details (Annexure-I, II & III) are available at our website www.moud.gov.in (CPHEEO>PHE Training).

It was seen that during recent past, when we had invited nominations for 2015-17 batch, only 14 seats have been filled up out of 80 seats available to the Ministry. This shows that adequate attention is not being given to impart proposed training to in-service engineers. Therefore, it is requested that at least five suitable candidates from your Department may be nominated to undergo this P.G. Course for 2016-17 (2016-18 batch). The list of the candidates along with the duly filled in application form in the prescribed performa, as at Annexure-I, may be forwarded to this office **latest by 30th January, 2016** for further necessary action.

With regards, Enclmt No. 69/64052.

Handwritten signature in Malayalam and English: (Rohit Kakkar)
Yours sincerely,

To,

ABOUT THE PHE TRAINING PROGRAMME

The P.H.E. training programme was started in 1956 by the Ministry of Urban Development with the objective of providing training to in-service Engineers and Para-Engineering Staff of the various State Public Health Engineering Departments, Water Supply and Sewerage Boards, Urban Local Bodies etc.

CPHEEO, a technical wing of this Ministry has been requesting all the States heads regarding the aforesaid programme for nominations of in-service Engineers working with PHED/ULBs/Boards usually in the month of October/November every year. The same has been uploaded in Ministry's web-site www.moud.gov.in also.

OBJECTIVE OF PHE TRAINING PROGRAMME

The capacity building of professional manpower is an essential ingredient for successful implementation and operation & maintenance of water supply and sanitation facilities. The public Health Engineering Departments, Water Supply and Sewerage Boards and other departments including the Urban Local Bodies engaged in delivering of water supply & sanitation services need different level professionals, who should have necessary technical and managerial skills relevant in the field of water supply and sanitation. Their knowledge and skill need to be updated periodically in order to keep abreast of the latest developments in the field of Public Health Engineering/ Environmental Engineering. Keeping in view the above objective PHE training programme is being implemented by the Ministry of Urban Development with the goal to provide training to in-service Engineers and para- engineering staff. Ministry is running following three types of trainings with a view to provide capacity building to PHED/ULBs etc.:

1. **Post Graduate (M.Tech/ME) Course**: The duration of course is 24 months (4 Semesters) in Public Health Engineering OR Environmental Engineering. Under this programme the Ministry is providing training to in-service Engineers and Para-Engineering Staff of the various State Public Health Engineering Departments, Water Supply and Sewerage Boards, Urban Local Bodies etc. in 12 recognized institutes.

This training is imparted at the following academic institutions:

- (a) All India Institute of Hygiene and Public Health, Kolkata
- (b) Veermata Jeejabai Technological Institute, Mumbai
- (c) Anna University, Chennai

- (d) Visvesvaraya National Institute of Technology, Nagpur
- (e) Motilal Nehru National Institute of Technology, Allahabad
- (f) Shri Jayachamarajendra College of Engineering, Mysore
- (g) Sri G.S. Institute of Technology & Science, Indore
- (h) I.I.T., Powai, Mumbai
- (i) Malviya National Institute of Technology, Jaipur
- (j) I.I.T. Kharagpur, West Bengal
- (k) I.I.T. Delhi, New Delhi
- (l) Jawaharlal Nehru Technological University, Hyderabad

2. Short Term Course (STC):

This programme has been tailored in such a way that Diploma Engineers working in State Public Health Engineering Departments/Water Supply and Sewerage Boards/Urban Local Bodies get adequate exposure towards the finer points of Public Health Engineering, so that they can apply the same in the field. The course is of three months duration. Financial support to the trainees/institutes in the form of stipend, tuition fee, expenses on field visits etc. is extended, thus sharing a major portion of the expenditure. The course is of three months duration. At present the Short Term Course is not conducted in two institutes viz. 1) Anna University, Chennai and 2) Shri Jayachamarajendra College of Engineering, Mysore.

3. Refresher Course:

Refresher Courses on various specializations are sponsored by the Ministry for the duration of 1 to 4 weeks and conducted through different academic, research & professional institutions and State Departments for the benefit of in-service Engineers & Para-Engineering Staff working in junior, middle & senior levels in various State Public Health Engineering Departments, Water Supply & Sewerage Boards & Urban Local Bodies etc. Financial support in the form of honorarium to lecturers, expenses on field visits, preparation of lecture materials etc. is extended to the institute conducting the training courses.

- In case any candidate discontinues the course or fails to complete the Post Graduate course in all respects including submission of thesis or fails to obtain the P.G. degree within the stipulated time period of 24 months, the entire amount paid by the Government of India (through the Institute) to the candidate towards stipend, tuition & examination fees, contingencies etc. will be recovered from him/her through their department concern.
- Selection of candidates by CPHEEO, MoUD, GoI shall be treated as final.
- In case the selected candidate(s) are not relieved in time to enable him/her to join the Institute, it is very likely that the slot kept for him/her will remain unutilized for that academic session and under such circumstances, his/her candidature will not be considered for admission to PG course for the next three academic sessions.
- Sponsored candidates are required to pay/deposit Institute's fees on their own at the time of admission and later, the Ministry reimburses only the tuition & examination fees along with stipend for outstation candidates through
- the Institute to the candidates after receiving the final list of candidates admitted with details of tuition fee, examination fee, date of joining etc. from the Institute.
- BEFORE FORWARDING THE NOMINATIONS OF THE CANDIDATES THE NOMINATING AUTHORITIES ARE REQUIRED TO ENSURE THAT THE CANDIDATES CAN BE RELIEVED FOR THE P.G. COURSE IN THE EVENT OF THEIR SELECTION FOR MINIMUM 24 MONTHS DURATION.
- No TA/DA shall be paid by the Ministry for attending interview/ admission / joining the Institute at the time of admission.

INSTRUCTIONS (Read carefully before applying):

- Three sets of applications are required along with supportive documents separately with photographs.
- The documents should be self attested or by Gazetted officer.
- The candidates (in service engineers) are requested to fill up the form and submit in your concern department to forward the application to Rohit Kakkar, Deputy Adviser (PHE), CPHEEO, Ministry of Urban Development, Room No 644-A, Nirman Bhawan, New Delhi-110011 before last date.
- All copies of marks sheets and certificates of Matriculation to Bachelor level (B.E./B.Tech.) should be attached with application.
- Apply in fresh (Latest format) available at our web-site www.moud.gov.in (path CPHEEO>PHETraining>P.G.Programme) only. The old format will not be considered for recommendation of sponsorship in any case.
- The applications(all three sets) should be countersigned by Official Head/HOD/Chief Engineer
- Priority should necessarily be mentioned against all the Institutes listed as in application form at page No. 5. Request for change of priorities shall not be considered at a later stage.
- Candidates are requested to mention place of present posting, address of communication with Pin code along with contact number/E-mail id/Fax number etc.
- Incomplete application will be liable for rejection.
- In Case of the candidate belong to SC/ST/PH; enclose the attested copy of "Caste Certificate/Handicapped certificate " for claim.
- Last date mentioned in the circular is final for receiving of the applications in this Ministry. NO APPLICATIONS WILL BE ACCEPTED/PROCESSED AFTER LAST DATE.
- The candidate must have minimum 3 years of experience in Public Health Engineering OR as mentioned against each institutes requirement and preferably below 45 years of age.
- The candidate who had been selected during last academic session and offered admission by the Institute, but not joined shall not be considered while forwarding the nominations.
- In case it is not possible to accommodate the candidates in the Institutions as per their first priority they may be accommodated in other Institutes in subsequent order (s) of priority as mentioned by them in their application subject to fulfillment of eligibility criteria and availability of slots, Ministry's decision is final in this regard.

12	All India Institute of Hygiene & Public Health (AIIPH), Kolkata.*	

(SIGNATURE OF THE CANDIDATE)

* As of December, 2014, there is inadequate faculty in the AIIPH to teach engineering topics. Candidature will be considered provided the AIIPH fills up the vacant posts of engineering faculty.

** Priorities indicated in the column will not be change in any case.

N.B.: 1. Priority should necessarily be mentioned against all the Institutes listed above in their own hand writing, overwriting is not allowed.

2. Candidates are requested to mention place of present posting, address of communication with Pin code along with contact number/E-mail id/Fax number etc.

The particulars furnished above & in Appendix are true and correct to the best of my knowledge. I declare that I will not back out if I am selected and admitted in any one of the Institutions mentioned above.

Signature of the candidate

Countersigned and sponsored Shri/Smt./Ms. _____ to undergo the P.G. course in the years 2016-2017 (2016-18 batch) in any one of the Institutions mentioned above. It is hereby certified that in case he/she joins the course he/she will continue to draw his/her normal monthly salary & allowances as per rules throughout the period of studies (i.e.24 months) and his/her TA/DA, educational tour expenses etc. will be reimbursed by the Department.

BEFORE FORWARDING THE NOMINATIONS OF THE CANDIDATES THE NOMINATING AUTHORITIES ARE REQUIRED TO ENSURE THAT THE CANDIDATES CAN BE RELIED FOR THE P.G. COURSE IN THE EVENT OF THEIR SELECTION FOR MINIMUM 24 MONTHS DURATION.

Signature of the Competent Authority/ (with official seal)/
Head of the Department (as the case may be)

ANNEXURE-III

Financial support for undergoing Post Graduate Course in Public Health/Environmental engineering during 2016-17 for 2016-2018 batch.

FINANCIAL SUPPORT:

- A monthly stipend of Rs. 4000/- is paid to each of the out-station sponsored candidates by the Government of India through the Academic Institute/University.
- Expenses towards tuition and examination fees only are borne/reimbursed to each sponsored candidate by the Government of India through the Institute (as per institute's Budget Estimate). All other fees are to be paid by each candidate/nominating department.
- Contingency Grant @ Rs.2500/- per semester (Maximum for 4 semesters only) is sanctioned to the Institute (and not to any individual candidate) by the Government of India.

Note: 1. The Grant-in-aid will be released by this Ministry to the Institutes concerned after receiving the Budget Estimate prepared by the Institutes (along with the latest circular in case of any change in fees structure).

2. The Grant-in-aid will be released to the concerned institute only after receipt of previous Utilisation Certificates (in GFR 19-A format) along with the audited statements of expenditure in respect of any Grant-in-aid released by this Ministry to the Institute for PHE training programme.
