Dated : 26.02.2016

CIRCULAR

Ref: Circular No. DB3/6512/2013/CE/LSGD dated 08.02.2016

Vide the reference cited, all the technical staff of Panchayats and Municipalities, were directed to verify their user credentials in the demo site of PRICE software and to prepare sample estimates in the software and forward them to their controlling officers to ensure that the workflow is correct.

Many officers have submitted requests for corrections and additions. The user corrections submitted by the staff have already been incorporated in the demo site. The updated user database will be handed over to NIC for incorporation into the live site by 01/03/2016. Hence all the technical staff are hereby directed to login to the PRICE software once again and to check their credentials and the workflow and to report corrections if any, before 29.02.2016 in the prescribed formats. Those officers whose user details are missing in the software should also submit the request in Annexure A before 29.02.2016 itself. No complaints regarding this will be entertained after this date. Only office transfer will be accepted.

The sample estimates created by Engineers that have reached the login of Chief Engineer will be returned to the respective officers. The list of officers who have not yet submitted the estimates will be published.

† Chief Engineer
