

No. DB3/6512/2013/CE/LSGD

Dated : 14.01.2016

CIRCULAR

Government have directed all Engineering Departments including Local Self Government Department to implement 'PRICE' estimation software for preparing estimates from February 1, 2016. For time bound and effective implementation of 'PRICE' Software, the following guidelines are issued.

- 1) The first phase of Training for Master trainers was conducted on 14.01.2016 at Thiruvananthapuram. These master trainers should conduct district level training for Block Panchayath level trainers and the Block level trainers should conduct the training for all technical staff under the block including Engineers & Overseers within the dates specified below. The Block level trainers should be One Assistant Executive Engineer and one Assistant Engineer / Overseer capable of conducting training. The proposed time limit is as follows.

First Master Trainers (State Level) Training at Thiruvananthapuram		14.01.2016
Training for Block level trainers at Dist. Level (Block Panchayath Asst. Exe. Engineer – 1, Asst. Engineer / Overseer -1)		18.01.2016 OR 19.01.2016
Feed back / Issues noticed should be Reported by e-mail (pricelsgd@gmail.com) or phone		21.01.2016 5.00 PM
Second Master Trainers (State level) Training at PWD Rest House, Thiruvananthapuram (One master trainer representative from each district)		22.01.2016
Exclusive training for all Overseers & Engineers of Grama Panchayath & Municipalities by Block level trainers at Block level		23.01.2016 OR 25.01.2016 OR 27.01.2016

- 2) The master trainers (State level) should inform the date of District level training to the Superintending Engineer, North / South Circle. The head of the Engineering Wing of Municipality should contact the Superintending Engineer,

North / South Circle or Assistant Executive Engineer, Block Panchayath and attend with their master trainer in the District level training proposed on 18.01.2016 or 19.01.2016. They intern will impart the training to the technical staff of this Municipality on any of the date 23, 25, 27th of January 2016.

- 3) The master trainers of Corporations who attended the training on 14.01.2016 should give training to the technical staff before 25.01.2016. One representative from each Corporation if required can attend the Second Training at Thiruvananthapuram on 22.01.2016 also.
- 4) The attendance of all training should be consolidated by the Superintending Engineer (North / South Circle) and Executive Engineers of District Panchayaths and submit to the undersigned before 30.01.2016. They should ensure that all Technical staff under their jurisdiction receive the training.
