GECB/TPLC/2016

13/06/2016

Dear Sir/Madam

SUB : Training program on *Timeless leadership –ignite the spark in your hearts* , organised by Translational research & Professional leadership centre (TPLC), Govt. Engineering college, Barton Hill –sponsoring of officers- reg.

I request you to kindly consider this matter with concern :

- DB4
R
E.L.16/16
1. The Translational research and Professional Leadership Centre (TPLC) , Government Engineering college, Barton Hill, Trivandrum is organising a 4 day training program on *Timeless leadership –ignite the spark in your hearts* at Hotel Maurya Rajdhani , Trivandrum. The program is open to all professionals . We request you to sponsor atleast 3-4 officers from your department to this program. This is the third time this program is being conducted and the feedback obtained for the last two programs was very motivating to us. The registration fee for the training program is Rs.7500 /- per participant.
 2. The Translational research & Professional Leadership Centre , TPLC , GEC Barton Hill has also called for applications for admission to the second batch of MTech Translational engineering . This program is approved by AICTE and affiliated to APJ Abdul Kalam Technological University and is an initiative of Department of Higher Education, Government of Kerala. The first batch of students have completed their second semester . As this is a new discipline, we are organising an awareness program to inform the interested professionals the main objective of the program, its nature , the content of the curriculum, mandatory requirements introduced in the program and the relevance of the program in the present context. The awareness program is scheduled on June 17, 2016 at GEC Barton Hill at 10 am . Refreshments and lunch will be provided for the program. Registration is free and those who are interested may kindly fill the registration form and mail it to tplc.gecbh@gmail.com on or before June 15th, 2016.

Expecting your favourable support

Thanking you

Endorsement No. DB1/3356/13/CE/LSGD dated 16.06.2016

Copy of the letter with enclosure are published in the website for information of all Engineers of the department. Engineers may contact this office through proper channel for getting sanction to attend the programme.

TIMELESS LEADERSHIP

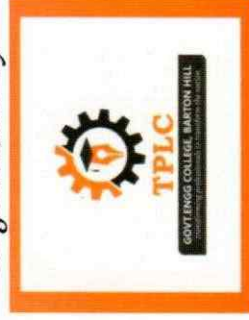

-ignite the spark in your heart

June 27th - 30th, 2016

Venue: Hotel Maurya Rajadhani

Statue, General Hospital Road, Thiruvananthapuram

Organised by

TRANSNATIONAL RESEARCH & PROFESSIONAL LEADERSHIP CENTRE

Transforming professionals to transform the nation

Government Engineering College, Bartonhill, Thiruvananthapuram-695035

OVERVIEW

The 4 day Training Program on 'Timeless Leadership—Ignite the Spark in your heart' focuses on two accepted themes:

- Once the basic thought process of man is improved, the quality of his actions will improve as well, leading to better results.
 - Before you are a leader, success is all about growing yourself – when you become a leader, success is all about growing others.
- So, this programme is a truly innovative, participative, experimental and personalized programme, which guarantees to explore the leader in YOU and YOU will never ever be the same again

PROGRAM OUTCOMES

DISCOVER THE REAL YOU

- You will get to know yourself better, who you are and how you will get empowered
- Assess yourself and master your energy by deepening awareness

BECOME A REAL LEADER

- You will be inspired to become a real leader, who can lead consciously to create a culture of respect and accountability in your organization
- Understand how good leaders integrate self, others and external systems or organization

HEALTHY LIVING FOR MAXIMUM SUCCESS

- You will be introduced to healthy living habits as well as tips to lead a stress free life, both professionally & personally

RESULT-ORIENTED DELIVERY

- You will be introduced to the basic concept of self management which is the mother of all management success stories
- A true insight of leadership and self-discovery will dawn on you
- You will be forced to come of the usual theory sessions and will be motivated to practice the simple leadership theories to make your dreams a reality
- You will try to become the catalyst of transformation to develop the next generation of creative leaders that will have a significant impact in our society

PARTICIPANTS PROFILE

This program is targeted specifically to professionals and faculty who aspire to be role models & catalysts of positive change. Besides the interactive learning experience, it offers a great opportunity to network with a diverse group of talented leaders.
