Invitation

We are glad to inform you that the Department of Civil Engineering, TKM College of Engineering, Kollam is organizing a three day Workshop on "Innovation in Mass Housing". The Workshop is designed to bridge the gap between the academia and the industry by focusing on current research, new products and techniques in the domain of mass housing. It will bring together researchers, policy makers, planners, builders and industrialists and will provide a platform to share, debate and promote ideas on this topic.

We invite you to be a part of the Workshop and to grace the inaugural function.

With Best Regards,

**Dr. Seema K. Nayar &
