## CIRCULAR

As informed by IT Mission, it is brought to the kind attention of all Tender Inviting Authorities (TIA) regarding the non-functionality of State Bank Payment Gateway System (SBT) in recent days, which had caused various bidders unable to remit tender payments and further fail to submit bids in Government e-Tender System. The SBT Technical Team had also informed that the State Bank Payment Gateway (SBPG) will not be available for the next 24-48 Hours, due to maintenance activities. In this regard, the TIAs are advised to extend the same tenders to a minimum of 2 days to cover up the SBT System Down-time, by using "Date" Corrigendum.
