Vide the above referred circular, it was directed that in Three Tier Panchayats and Municipalities all the estimates shall be prepared and submitted online using the PRICE software. Corporations were directed to use the Demo version of PRICE till the Live version is ready.

As such, **the PRICE sites will be shut down from 03.06.2016 (Friday) 5.00 PM to 05.06.2016 (Sunday) 5.00 PM.** The sites will be available from 06.06.2016 (Monday) onwards.

The live version of the PRICE Software for Panchayats, Municipalities and Corporations will be available at the website address: <http://price.kerala.gov.in>.
