To

The Chief Engineer
LSAD

Dear Sir,

Greetings from Transportation Engineering Research Centre (TRC), College of Engineering Trivandrum!!!

We are conducting a symposium on 23rd Jan 2016 on "*Bridging the Gap: Theory and Practice in Pavement Engineering*". The main objective of this one day symposium is to ensure that the fruits of research are properly disseminated to the stakeholders for the benefit of public. The symposium will be highly useful to all those involved in various aspects of road construction like practising engineers, scientists and those from academia. As an outcome of the symposium, recommendations/suggestions can be submitted to the Govt. of Kerala for better design, construction, and maintenance of roads in the State.

It is our pleasure to invite you to this symposium. We shall be highly obliged if you can participate in this symposium and contribute towards achieving its goals. This may kindly be considered as an official invitation.

Thanking You,

Dr. Binu Sara Mathew
