SUB: Workshop on "Applications of Geosynthetics in Infrastructure Projects", 28 June 2016, Thiruvananthapuram

Dear Sir,

DBM

Today the use of geosynthetics is increasingly being accepted as construction material in different fields of civil engineering not only in developed countries but also in the developing countries like ours. Geosynthetics are now being increasingly used the world over for every conceivable application in civil engineering, namely, construction of dam, embankments, canals, approach roads, runways, railway embankments, retaining walls, slope protection works, drainage works, river training works, seepage control, etc. due to their inherent qualities. Its use in India though is picking up, is not anywhere close to recognitions. This is due to limited awareness of the utilities of this material and development taking place in its use.

As part of their activities, Indian Chapter of International Geosynthetics Society (IGS) and Central Board of Irrigation & Power (CBIP), will be jointly organizing one day non-residential Workshop on "Applications of Geosynthetics in Infrastructure Projects", focusing on Ground Improvement, Erosion Control and Slope Stability, on **28 June 2016 at Thiruvananthapuram**, mainly for the engineers of the Public Works and Power Utilities/Departments, Railways, Academic Institutes and infrastructure development agencies. We would need the support of your good offices in supporting our endeavour.

The registration fee for participation in the Workshop is Rs. 2,000/- per participant + applicable service tax (presently 14.5%). We request you to kindly consider nominating atleast 20-25 officers for participation. We request for the list of nominees at the earliest possible, preferably by 15 June 2016, so as to plan the logistics, well in advance

All payments shall be made by Bank draft/cheque payable at par at New Delhi in favour of the "Central Board of Irrigation and Power". The payments can also be arranged by bank transfer as per details given below:

- Account Holder Name: **Central Board of Irrigation and Power**
- Name of Bank: HDFC Limited
- Branch and Address: 209-214, Kailash Building, 26 Kasturba Gandhi Marg, New Delhi 110 001
- Saving Bank Account No.: 00031110004411
- Branch/RTG/NEFT IFSC: HDFC0000003
- MICR Code: 110240001
- Swift Code: HDFCINBBDEL

Thanking you,

Yours faithfully,

(A.C. Gupta)
Director(WR)

SUB: Workshop on "Applications of Geosynthetics in Infrastructure Projects", 28 June 2016, Thiruvananthapuram

Dear Mr. Saji Kumar,

I am grateful to you for your positive response to the planned one day non-residential Workshop on "Applications of Geosynthetics in Infrastructure Projects", focusing on Ground Improvement, Erosion Control and Slope Stability, on **28 June 2016 at Thiruvananthapuram**, and look forward to your continued support in the successful organisation of the Workshop.

The registration fee for participation in the Workshop is Rs. 2,000/- per participant + applicable service tax (presently 14.5%). We request you to kindly consider nominating atleast 20-25 engineers for participation. We request for the list of nominees at the earliest possible, preferably by 15 June 2016, so as to plan the logistics, well in advance

All payments shall be made by Bank draft/cheque payable at par at New Delhi in favour of the "Central Board of Irrigation and Power". The payments can also be arranged by bank transfer as per details given below:

- Account Holder Name: **Central Board of Irrigation and Power**
- Name of Bank: HDFC Limited
- Branch and Address: 209-214, Kailash Building, 26 Kasturba Gandhi Marg, New Delhi 110 001
